Attn: Mr. Burks,

Please find enclosed the street light survey report, which details our work done for the month of November. We reported a total of 90 burned out lights to CenterPoint and I attached the confirmation letters to this report.

In addition to the enclosed report, I included a running tally of all the lights that I reported so far. I will continue to update the form with future reports so that you can have a record of the lights reported.

Our invoice for \$315.00 is attached to this letter and report. We appreciate the opportunity and we hope to continue working for the District.

Please feel free to contact me at 832-633-5155 if any questions should arise.

Thank you,

Sonia Chavez  
Operations Manager
